Installation housing ThermoX® Iso +

Extension element for ThermoX® Iso +

· for installation housing for external insulation
· for insulation thicknesses 170 - 350 mm
· Adjustment to the insulation thickness in 10 mm steps.

Article no:	1159-71
E-No:	372999969
EAN:	4013456548190
Length	220 mm
Width	110 mm
Height	190 mm
Insulation thickness in combination with Art. No. 1159-70	170 - 350 mm
Halogen-free	Yes
Dispatch	6

Installation housing for the secure and heat-bridge-free installation of rigid and swivelling built-in LED luminaires or other installation accessories in insulated ceilings. The housing protects the surrounding insulation material against the high operating temperatures of the LED luminaire and protects the LED luminaire itself against dirt. The integrated insulation element reliably prevents heat bridges.

· For the installation of luminaires and installation accessories in insulated ceilings
· Suitable for all standard insulation materials
· Thermically-protected installation space
· The integrated insulation element prevents heat bridges
· For insulation thicknesses from 100 mm to 160 mm (170 mm to 350 mm with extension element)
· Adjustment to the insulation thickness in 10 mm steps.
· Installation diameter up to ø 86 mm
