Cut hole Ø	83 mm
Conduit entries M20	6
Conduit entries M25	6
Combination	2x2
Dispatch	10

The airtight cavity wall box Quickbox® ECON Pro ensures airtightness of the electrical installation on a new level. The innovative opening lug facilitates installation while ensuring retention of the conduit. Particularly easy to install thanks to tool-free pipe entry, which allows the pipes to be swiveled by up to 90° during installation.

- compatible with Feller SNAPFIX®
- Toolless pipe insertion thanks to innovative opening lug with retainer
- Pipes can be swivelled by up to 90° during installation
- Elastic sealing membrane guarantees air-tightness
- No more shadow gaps with covers on smooth surfaces
- More space in the combinations for easier and faster wiring
