Article no:	9908.68
E-No:	155992098
EAN:	7611614036984
Length	115 mm
Width	115 mm
Depth	13 mm
Dispatch	10

Each flush-mounted junction box has a large number of break-out conduit inlets. They are equally suitable for use with flexible plastic conduits of the corrugated (KRFG) or the smooth (KRF) type. The electrician can easily and quickly insert the conduits into the box or pull them through.
