Length	242 mm
Width	172 mm
Height	1 mm
For type number	9916 / 9916.21
Dispatch	30

The extra-large junction boxes are designed as a modular system: two alternative base units are available - one with a smaller and one with a greater depth - and the electrician can choose from a range of matching extension pieces (for extra depth), plastering covers, screwed-on covers, waterproof covers and universal covers.

- Quick and secure installation using pre-inserted nails
- Increased robustness
- Conduit markings for drilling diameters
- Stackable
